BICON 2025 : 20th ANNIVERSARY EDITION

The Biyani International Conference (BICON) celebrates its 20th edition as a premier platform uniting renowned academics, scientists, industry experts, and research scholars from India and Japan. Over the years, BICON has transformed into a vibrant forum that not only encourages academic exchange but also strengthens academia-industry linkages.

With increased focus on collaborative education, research commercialization, and employability-driven skill development, BICON explores opportunities that benefit both academic institutions and industry stakeholders.

This landmark edition reflects our ongoing mission to build impactful Indo-Japanese collaborations that drive innovation and prepare learners for the future.
