EMINENT SPEAKERS FROM INDIA

@ BICON 2024

ABOUT CONFERENCE :

The Biyani International Conference (BICON) aims to convene prominent academics, industrialists, scientists, and research scholars from India and Japan. The primary goal of this conference is to facilitate the exchange of expertise, formulation of innovative approaches, and deliberation on the latest advancements in their respective domains, with a special emphasis on strengthening the academic-industrial relationship between the two nations. The conference will predominantly centre around topics such as collaborative education initiatives, health considerations, enhancing the capabilities of educators, fostering partnerships, honing skills for increased employability, promoting the commercialization of research outcomes, and fostering entrepreneurship.

ABOUT THE ORGANIZATION :

Biyani Group of Colleges is one of the most prestigious educational Organization, having 17 institutes. One of our institute, Biyani Girls College is the best girls college in North India as the college has been NAAC accredited by UGC with grade "A". Biyani Institute of Science and Management is the best college in Rajasthan for MBA & MCA as we have been awarded with Certificate of Excellence by Rajasthan Technical University. The Institute has also been awarded by Lilawati Award 2021.

The Organization has a blend of professional and technical education with environment for Research & Innovation. We train young minds with an ethical and social vision. The Centre of Excellence for digital innovation gives the exposure to the latest marketing trends and technological advancement in the industries.

The Research activities at Biyani Group of Colleges are encouraged through international exchange programs that involve an integration of academic excellence and research based development. Our association with the leading universities and industries of Japan unfolds quantum exposure for the students. We are the firm believers of quality education with overall development of the youth.
